Dear Church Leaders,

October 3&4, 2008 brings an exciting weekend for girls in grades one through six. It will be a weekend full of learning about missions and encouragement to 'live' missions. We are talking about the Mother Daughter/GA Retreats, sponsored by Kansas Nebraska WMU. If you do not have a GA program in your church that is OK! All girls are welcome to come and experience missions!

These retreats will be interesting, fun, and educational. Girls will meet NAMB missionary Mindy Jamison. She and her husband are missionaries in Des Moines, Iowa. They will learn about her work and will be doing a missions project that weekend for her to take back to give away in her ministry. Our worship leader will be Linda Losgdon from Calvary Baptist Church in North Platte, NE.

The retreats are held at Webster Conference Center in Salina, Ks. We hope you will encourage your girls, moms and leaders to attend one of the following retreats.

The Mother/Daughter Retreat:	October 3-4, 2008, For girls grades 1-3, girls to be accompanied by their mother.
Older GA Retreat:	October 3-4, 2008, For girls in grades 4-6, one adult sponsor for each seven girls.

Registration materials are enclosed. Please give these to leaders in your church who work with GA's or OTHER key leaders in your children's department. You may have questions, please contact Heidi Nelson at 1-800-984-9092 or by e-mail at hnelson@kncsb.org.

Please prayerfully consider these opportunities for the girls and women of your congregation. They won't want to miss this excellent opportunity for missions education and a positive Christian experience.

Thank you,
