

Dear Church Leaders,

It's new! It's missions! It's for moms and daughters! It's **Glow!** (God's light over the world). We are excited to offer your moms and their daughters in grades 1-6 an opportunity to experience this new weekend retreat beginning at 7pm October 2nd and ending at 4pm October 3rd. We will enjoy interactive worship, games, bible study, crafts, and a mission project. The 2009 theme for **Glow** is Light in Africa. It is our hope that this event will help strengthen mom and daughter relationships, while also learning about what God is doing in Africa. There will be conferences for both moms and daughters. If moms cannot attend, send your girls with their grandmother or a significant woman in their lives.

Susan Cunningham, Western Hills Baptist Church in Topeka, KS will be our retreat worship leader. An IMB worker serving in Africa will be the keynote speaker.

Registration materials are enclosed. If you would please pass these materials on to your Women's Ministry and Children's Ministry leaders of your church it would be greatly appreciated. If you have questions, please contact Heidi Nelson at 1-800-984-9092 or by e-mail at hnelson@kncsb.org.

Please prayerfully consider and support this opportunity for the girls and women of your congregation. They won't want to miss this excellent opportunity for Christian education and a positive Christian experience. **Glow!**

Thank you,

Cheryl VanBebber
KN Women's Leadership, Children's Resource Team

Glow replaces the GA and Mother/Daughter Retreats traditionally held on this date.
