

June 2008

Dear Friends,

‘Spilling Over’ is the theme for our 2008 **Wonderful Weekend for Women!** “...*Rivers of living water will brim and spill out of the depths of anyone who believes in me this way, just as the scripture says.*” John 7:38

Wonderful Weekend for Women is September 12-13 at Webster Conference Center (WCC), Salina, Kansas.

The purpose for the Wonderful Weekend for Women is for women to "experience personal and spiritual growth, challenging and equipping them to incorporate their Christian faith in their daily life, moving toward a lifestyle of missions, ministry, and evangelism", and of course, for just plain girl fun!

Our featured speaker is **Diane Nix**. Diane is passionate in teaching the Word of God to women and helping them to discover their true identity as women of divine purpose. Her book, “When God’s Woman Wants to Give Up” is based on Job and his wife. It pulls back the curtain on what brings women of today to a place of giving up and throwing in the towel. Check out www.dianenix.com.

Doneen Childress, Western Hills Baptist Church, Topeka, KS will be our worship leader. Renita Conny, worship leader at Covenant Baptist Church, Topeka, KS, will accompany her.

If you are a pastor without a Women's Ministry or wMu Director, please give this packet to an influential woman in your church. Ask her to promote and be the leader for your church group. Our prayer is to see women’s lives transformed through worship, fellowship, and spiritual development.

Registration information is enclosed. Additional registration forms can be printed off online at www.kncsb.org/ministry/women. Make frequent visits to this site for additional information concerning **Wonderful Weekend for Women**. Remember, registrations are final when payment is received.

Please remember to encourage your women to register early and to pray for the women in your church and community who will attend this years **Wonderful Weekend for Women**. Your encouragement for them to grow in their faith will strengthen your church in reaching your community and world for Christ.

Shiggaion!

Mari Jaquith
